Annotated C# Standard

Jon Jagger, Nigel Perry, Peter Sestoft

Annotated C# Standard Jon Jagger, Nigel Perry, Peter Sestoft

Standards, while being definitive, do not usually serve as the best reference to the use of a programming language. Books on languages usually are able to explain usage better, but lack the definitive precision of a standard. This book combines the two; it is the standard with added explanatory material.

- * Written by members of the standards committee
- * Annotates the standard with practical implementation advice
- * The definitive reference to the C# International Standard
