These women are strong and capable, but in the bedroom they become something else. They only want one thing, like a bitch in heat.

The Werewolf and Her Hunter: *Sapphire's prey: A trespassing werewolf that dared to attack her on her land.*

Sapphire's surprise: A handsome man that should want to kill her, but falls in love with her instead.

Sapphire's enemy: An ex-husband, abusive and insane, who thinks she must die so that he can gain her power.

Can Sapphire trust a werewolf hunter, the grandson of a man that nearly wiped her species out, to save her from certain death? Can he fall in love with Sapphire, despite the blood in his veins that screams at him to kill her?

Black Sex Goddess: *From across the room, Oya seemed supernatural, like a goddess. Her black skin glowed with a golden tint, her voluptuous body accented by a sexy dress. But what Adam found most astounding was that her eyes were on him, watching him with lust.*

He's not exactly experienced in bed, but when Oya gives him the rope and shows him how to use it, he learns to please her. He worships her body, how every black woman should be celebrated and adored.

This sexy, multicultural erotic story includes the following themes:

BWWM Don't you want to be a goddess too? **Dark Obsession:** *Could a mysterious billionaire be the answer to her problems... or cause more of them? Octavia attracts a certain kind of man. He's sexy, smart, and makes her feel beautiful. But is he worth the danger? She's threatened with a gun and left scared for her life. Will Bradley be able to keep her safe and win her over?* **The Sadist's Black Boo:** *She had to walk out on her boyfriend after she caught him cheating, but she was too scared to stay at a shelter. No one else was willing to take her, until a wealthy, white businessman found her. He offered to take her to all the finest stores and feed her all the finest food, and he only asked one thing: fulfill his sadistic, interracial sexual desires. Will she be able to stomach the pain for financial security?* **Saving the Black Bitch:** *Gabrielle is sick of being bullied by her coworkers. After they play a cruel joke on her, she runs out and right into the arms of her sexy, white boss. She expects him to be just as rude as they were. Instead, he makes them pay for their cruelty. Then things get even stranger: he says she's beautiful. He says he wants her body. That can't be true, right? Would a billionaire ever really want someone with curves like her?
