Here's what Amazon customers have to say about *Mission Rome*.

'A fantastic book. We visited Rome for 5 days and this book ended up being far more useful than any of our guidebooks. My 8-year old loved this, as did I.' - Deborah S. Anderson

'This is a must have series for those of you traveling with kids! My 11 year old had such a great time in Rome using the book to find all the items at each location. Best of all our oldest son was home on college break and it was so great watching him help her hunt for the items at each location. That was priceless! I love that not only are these great for the kids but that I learn new things as well.' - Mrs. B.

'My daughters (ages 7 and 9) are so excited to use this when we go to Europe...a terrific idea of having the kids earn a certain number of points for each landmark they find, with the goal of getting to 100. Highly recommend!' - DLS87
