## **My Life & 1,000 Houses** Mitch Stephen

Mitch Stephen's autobiographical account of his remarkable career in real estate is a must-read for any investor. Starting with little more than a handful of credit cards and an extraordinary work ethic, Mitch takes the reader on a no-holds-barred trip through the purchase and sale of more than one thousand houses. Along the way, he discovered that you don't need money to buy real estate. Integrity, the willingness to learn, and persistence driven by a positive inner voice, set this high school graduate on a path to financial freedom. Whether collecting payments in difficult circumstances or raising private money, Mitch shares the thoughts and inspirations that make the outcome profitable and fair. My Life and 1,000 Houses will show you just how effective a bottle of shoe polish can be in a marketing campaign, and how to find the owner of abandoned houses for less than a dollar. If you've been procrastinating, or if you tried and failed, if you're in the middle of a struggle to become financially free, you don't need another book on how to get rich in real estate. You need to read My Life & 1,000 Houses.
