Looking to give your wardrobe some pizzazz? Start sewing! Like knitting before it, sewing is being reclaimed by a new generation, one that celebrates individual creativity.

Fresh on the heels of her first book, *Sew U*, which focused on sewing with woven fabrics, Wendy will now teach the creatively inclined how to make perfect t-shirts, dresses, and hoodies, all with soft knit fabric.

She'll take your sewing to the next level, providing step-by-step instructions (both for sewing with a serger and without) and patterns directly from her own studio. And with tips on how to alter T-shirts and clothes you already have, you'll soon be revamping all your clothes to make fabulous custom creations.
