The Beatles: A study in drugs, sex and revolution David A Noebel

Few have understood the impact of rock n' roll or the Beatles. The hard fact is that in this present revolutionary era, heavy beat music has become a catalyst for the young radicals in their announced plans not only to destroy Western culture, but to dethrone God. And few can really deny that the Beatles have and are playing a strategic and crucial role in the spiritual and cultural demise of the West and in the proposed destruction of Christianity throughout the world.
