What happens next will challenge everything Kira knows about her world, herself and the shape-shifting warrior she's falling in love with. With Kira injured and dying, Octavion's last hope is to plead with the king of Panthera for a cure. But King Ramla's magic isn't free. The price he asks Octavion to pay goes against everything he's fought so hard to protect and could destroy his bond with Kira. Will Octavion trade his crown and swear allegiance to a kingdom feared by all, or will he sacrifice the woman he loves to remain faithful to his father and Xantara? Find out when BROKEN takes you on a journey into the savage and unpredictable world of Ophira.

Kira thinks the only way she can keep her friends alive is by faking her death, but the lie has only put them in more danger. As she quickly adapts to her new surroundings, she learns more about her gifts and becomes the warrior she was always meant to be.
