“To travel beyond our world is to change this present one forever.”

Delany was being punished, and deep in her heart, past the excuses she'd like to make for herself, she knew she'd almost deserved it. And even though that girl, Mattie, had said something dreadful about her father, she knew that she should not have fought with her. Though one can never rewind history, to change the past, and so this would be her punishment: To live alone in the old abandoned Greyford house on the outskirts of the Mayfield School for Girls - a place with its covered furniture, and rooms leading to other unexpected rooms, and she would be completely, and purposefully, alone... or so she thought.

Yet there was more to his house than first met the eye: there were secret passages, and hidden treasures, lost and forgotten with the passing time, and a room... a fantastic and otherworldly sort of room, which she had decided to call "the Window Room".
