Alexander and the Terrible, Horrible, No Good, Very Bad Day From the moment Alexander climbs out of bed one morning, it seems as if nothing will go his way. He drops his sweater in the sink, his teacher doesn't appreciate his clever ideas, and there's no dessert in his lunch. Just when he thinks the day couldn't get much worse, his mom whisks him and his brothers off to the dentist. And guess who is the only one to have a cavity? Spend an absolutely awful day with Alexander as things go from bad to worse to the worst.

Alexander, Who's Not (Do You Hear Me? I Mean It!) Going to Move Alexander is having a tantrum. His dad just got a new job, and that means moving thousands of miles away. Everyone in his family is happy, excited, and ready to go. Good for them. Alexander, however, is seeing his life pass before him-the friends he loves, his special places, his fondest memories-and he absolutely refuses to pack. And no one can make him, either. Will he stay behind after the moving van pulls out? There's just no telling when Alexander gets into one of his moods. Alexander, Who Used to Be Rich Last Sunday Alexander is having another rough patch. When his grandparents visited last week, they gave him a dollar, and he knew exactly what do with it too-save it for a walkie-talkie. But that was Sunday, and now all he has in his pockets are bus tokens. How did he spend his money? Unwisely. What did he buy? Don't ask! Will he find a way to get more money? He's certainly going to try-but things are not looking up.
