Spencer Hightower's job is cleaning up other people's messes. And she is damn good at it. Unfortunately, being a supremely organized workaholic, it isn't always easy to meet guys—until Liam Connelly shows up, all gorgeous and really, really sexy. Sure, he makes Spencer's pulse thump...but he's also the biggest pain in her professional life. Liam can't believe his lousy luck when he learns that Spencer is his opposition in a high-profile scandal. She's the best at what she does and the worst possible opponent. Of course, a little professional animosity can't hurt a guy's chances for a date, can it? Even as Spencer tries to keep her distance, their attraction grows stronger...and hotter. But once they cross all kinds of professional—and personal—boundaries, the situation snow-balls into a disaster that even the great Spencer Hightower can't fix...
