## **Milking Sally (The Cougar Memoires - XXX Sex Stories Book 1) Juliana Holmes**

A dinner date with her friend that she was very early for, led to Sally sitting in a bar alone. The barman was really cute, and flirting with her. She knew he was young enough to be her son, but the temptation to play was too much. She needed him, anyway, anywhere. In the dim light of the stock room, Sally finds out what it's like to throw caution to the wind.

### EXCERPT:

Gripping her underwear with both hands, he slid them down, over her hips, down her thighs until they snagged at her closed knees. He knelt in front of her, and without removing her panties, pressed his face into the vee at the apex of her thighs. Her knees buckled with the intense sensations that flowed through her. His nose was pressed against her clitoris and his tongue snaked forward, pushing its way into the tightly closed cleft. Sally breathed deeply; the electric jolts in her pussy were unnerving her.

The barman probed her, still holding her legs closed. His tongue caressed the plump lips, licking up her sweet nectar. If it wasn't for the wall behind her, and him in front of her, she thought she might have fallen to the floor. The intense throbbing inside her velvet pussy was creating havoc with her. Her pulse was racing; her breathing quickened and her knees were shaking with need.

Knowing that she was ready, the barmen released his grip on her thighs and removed her panties, lifting first one foot and then the other. Standing, he tucked them into his pocket with a grin. "Finders keepers," he growled. "I'm keeping those to remind me of your sweet pussy." Sally was able to do little more than nod.
