**Shifter Romance: My Brother's Bear (Hidden Bear Shifter Series Book 1)** Emelia Joye

Twenty-eight-year-old Natalia Bell has been keeping it all within herself. From her longing for her deceased parents to the deepest and darkest secret yet to be unveiled. No one knew it, not even her foster parents, except him and her. Honesty and trust describe her character, but for him, she chooses to forsake her morals.

Thom Goodison, a hunky and attractive bachelor in nature has it all: rich and morally conducted family, bachelorettes in the queue, and most of all strength and power to dominate. He's not just your typical kind of guy next door – far from it. The half-moon is his enemy, and since their battle began, losing became part of his name.

Natalia and Thom have known each other since as long as they could remember. They're sheltered under the same roof, by the same parents who raised her as their own. But an inevitable chemistry ignites. But would she still pretend if Mellissa Hill, a famous journalist, model, and hooker comes to the scene and takes him by storm? She's had her chance, but would she get another?

Suspenseful, romantic, and arousing, **My Brother's Bear** explores the innocence and beauty of love while at the same time shows the curse of being a superhuman.
