Mark Twain

King Leopold's Soliloquy: The University of New Orleans Press Edition Mark Twain

In Mark Twain's satire, a raving King Leopold of Belgium launches an impassioned defense of his gruesome policies in Africa, claiming his divine right to brutalize the Congolese people. A scathing condemnation of imperialism and the violence that it incites, Twain's words retain all of their vitriol over a century later. For years this remarkable work, which led the first international campaign for human rights, has only been reproduced in low-quality facsimile. Using the original 1905 release, The University of New Orleans Press has restored the manuscript with new typesetting and archival photographs. In a new introduction, Dr. Hunt Hawkins provides crucial insight into Twain's mindset as he pushes for social reform. Although Twain likely never knew the impact of his campaign, King Leopold's Soliloquy remains a hallmark of anti-imperialist rhetoric and a testament to the power of Twain's words.

People who think that in e-book form make them feel drowsy even dizzy this guide is the answer. So there is not any in reading a publication especially this one. You can find what you are looking for. It should be here for a person. So , don't miss the idea! Just read this e-book style for your better life as well as knowledge.

Rebecca Beal:

As a scholar exactly feel bored to help reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just small students that has reading's spirit or real their interest. They just do what the educator want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this King Leopold's Soliloquy: The University of New Orleans Press

Edition can make you truly feel more interested to read.
