Murder in Provence: Book 3 of the Maggie Newberry Mysteries (The Maggie Newberry Mystery Series) Susan Kiernan-Lewis

This book takes you further into the sleepy little French town of St-Buvard, where Maggie and Laurent discover not one but four murders to spice up their tenure in Provence. The wine, the food, the scenery and sexy French chef and winemaker Laurent make the journey a very palatable one indeed!

A year spent living in the south of France is not all it's cracked up to be—especially when you have no job, a prickly first year of marriage, and your new BFF is murdered virtually before your eyes. Maggie Newberry is determined to help the investigations into Brigitte's murder even if the incredibly sexy and very available French police detective on the case can only complicate her life in every possible way. Murder in Provence is set in the ancient city of Arles and, like the other books in the series, showcases the sights and mouthwatering cuisine of Provence—with a healthy dash of murder.
