BOOK #2: Potty Training: The Ultimate Potty Training Guide To Fun and Stress Free Results In 3 Days or Less

Are you thinking about potty training your child? Are you looking for a way to make potty training easy for both you and your child? This eBook offers parents a three day method to potty train their child with less stress and frustration...and in less time. Using this method, some children start using the potty on their own by the second day!

Learn how to:

- Properly encourage your child to use the potty,
- Help your child associate the feelings of their body with the need to use the potty,
- Encourage your child to take responsibility for accidents without guilt or shame, and
- Reward your child for using the potty without using bribes or sweets.

This eBook also includes what you should do after the third day of potty training to continue the successes from the long weekend.

If your child is ready to use the toilet, you can use this eBook to maximize their chance of success in a shorter period of time. Since this three day method focuses on positive reinforcement, it's perfect for first time potty training! You will teach your child to celebrate all of their successes in life and help them build independence.
