SHIFTER ROMANCE

30 Hot and Yummy Bonus Stories included in this book!

When her boyfriend ran off with a nineteen-year-old nanny, Casey knew exactly what she should have done: go on with her life as normal. That's what functional people did, right? Instead, she ran off to her family's cabin upstate and decided to drown her troubles in a bottle of wine. Or two. Or maybe three. A raging thunderstorm seemed like the perfect backdrop for bitter wallowing.

What she didn't realize was that her weekend was going to get a hell of a lot more exciting than that. Because first there was the bear that showed up in her house—the bear that seemed more intelligent than it really should be. And then there was a pack of wolves who weren't afraid of humans, and a man stumbling out of the forest; injured. The hottest man Casey had ever laid eyes on, if truth be told.

But Nathaniel isn't just a normal guy. And no matter the heat between them, there are some issues they'll have to resolve first. Like the fact that he's a shifter, and there are thirty wolves out for his blood.
