## **Surviving Your Doctors: Why the Medical System is Dangerous to Your Health and How to Get Through it Alive** Richard S. Klein

*Surviving Your Doctors*, with its in-depth explanations, guidance, and direction will be the basic training manual patients need to work their way through the health care maze. It serves as a map of the medical minefield, told from the perspective of a doctor yet designed to reveal the faults in the system and the things that can and do go wrong during the course of both routine and special procedures and office visits. Filled with real stories of medical mishaps, anecdotes, and checklists, this book will walk readers through major areas of the medical world - from the doctor's office to the pharmacy, from the laboratory to the ER - giving them a clearer picture of how things really work, what health care workers really think, and how to take back control of their health and the care they receive.
