Parents and families are busier than ever—and so are you—but partnering with them is as important as ever. So how do you do that? Author Phil Bell has taken his 20 years of experience and created a playbook to help you come alongside parents.

This isn't a plan to make your ministry look like someone else's. These are proven ideas you can weave into the things you're already doing. These practical ideas work whether you're full-time, part-time, or a volunteer. And you can add them on to your own timeline.

Topics include:

- Taking care of yourself and your own family first
- Key strategies for effective communication
- Ideas for resourcing and equipping parents
- Ways to reach unengaged parents
- Turning parents into your ministry's greatest promoters
- Fostering a community of parents that makes everyone stronger

Partnering with parents isn't about just getting them to come to you. It's about a ministry that meets in the middle—where you are and where they are—creating a stronger ministry and stronger families.
