## **Young kids will love the NEW Ragnar Rabbit series!**

**>>> Brightly-illustrated on every page, and written in a fun, comic-style format**

This simple picture book series is designed to present young readers with *short, manageable chunks of text*. Ideal for both young *Beginner / Emergent Readers*, and for slightly older, more *reluctant readers*, who are still struggling to "get going" with their reading fluency. Please check the "look inside" feature, to make sure the reading level is suitable for your child.

**>>> Welcome to the world of Raggy, an adventurous, slightly-boastful toy rabbit**

Raggy is impressed when his young human owner, Max, brings home *library books about Vikings*. The two of them soon start building their own Viking longboat. This sets in motion a series of events, which lead to *Raggy's disappearance*, and to him gaining the new, more impressive, Viking name of Ragnar. Oh, and the story also involves a mysterious, furry ninja, and an amusing bunch of ant onlookers!

**>>> This introduction to the series shows how Raggy's life suddenly becomes a lot more exciting...**

Luckily he's a *fairly* brave rabbit, who is always eager to learn, and is definitely up for new challenges!

**>>> A great story to drift off to sleep with at bedtime**

As well as for young Beginner Readers, the story is also ideal for *reading aloud* to imaginative youngsters who enjoy sharing adventures with their own cuddly companions.
