And One Last Thing ... Molly Harper

"If Singletree's only florist didn't deliver her posies half-drunk, I might still be married to that floor-licking, scum-sucking, receptionist-nailing hack-accountant, Mike Terwilliger."

Lacey Terwilliger's shock and humiliation over her husband's philandering prompt her to add some bonus material to Mike's company newsletter: stunning Technicolor descriptions of the special brand of "administrative support" his receptionist gives him. The detailed mass e-mail to Mike's family, friends, and clients blows up in her face, and before one can say "instant urban legend," Lacey has become the pariah of her small Kentucky town, a media punch line, and the defendant in Mike's defamation lawsuit.

Her seemingly perfect life up in flames, Lacey retreats to her family's lakeside cabin, only to encounter an aggravating neighbor named Monroe. A hunky crime novelist with a low tolerance for drama, Monroe is not thrilled about a newly divorced woman moving in next door. But with time, beer, and a screen door to the nose, a cautious friendship develops into something infinitely more satisfying.

Lacey has to make a decision about her long-term living arrangements, though. Should she take a job writing caustic divorce newsletters for paying clients, or move on with her own life, pursuing more literary aspirations? Can she find happiness with a man who tells her what he thinks and not what she wants to hear? And will she ever be able to resist saying one . . . last . . . thing?

From reader reviews:

Jason Hill:

Do you have favorite book? For those who have, what is your favorite's book? E-book is very important thing for us to find out everything in the world. Each guide has different aim as well as goal; it means that reserve has different type. Some people experience enjoy to spend their a chance to read a book. They can be reading whatever they take because their hobby will be reading a book. What about the person who don't like examining a book? Sometime, particular person feel need book once they found difficult problem as well as exercise. Well, probably you will want this And One Last Thing

Robert Pinkerton:

In this 21st millennium, people become competitive in every way. By being competitive now, people have do something to make these people survives, being in the middle of typically the crowded place and notice by surrounding. One thing that occasionally many people have underestimated the item for a while is reading. Yes, by reading a reserve your ability to survive enhance then having chance to remain than other is high. For you personally who want to start reading a new book, we give you this specific And One Last Thing ... book as beginning and daily reading publication. Why, because this book is greater than just a book.

Kevin Kennard:

Information is provisions for individuals to get better life, information presently can get by anyone in everywhere. The information can be a knowledge or any news even a problem. What people must be consider when those information which is in the former life are hard to be find than now's taking seriously which one would work to believe or which one the actual resource are convinced. If you receive the unstable resource then you understand it as your main information it will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take And One Last Thing ... as the daily resource information.

Nancy Smith:

Do you like reading a guide? Confuse to looking for your best book? Or your book had been rare? Why so many problem for the book? But just about any people feel that they enjoy for reading. Some people likes studying, not only science book but novel and And One Last Thing ... or perhaps others sources were given knowledge for you. After you know how the good a book, you feel need to read more and more. Science e-book was created for teacher or perhaps students especially. Those guides are helping them to include their knowledge. In various other case, beside science book, any other book likes And One Last Thing ... to make your spare time more colorful. Many types of book like this.
