## **Biting Cold (Chicagoland Vampires)** Chloe Neill

Turned into a vampire against her will, twenty-eight-year-old Merit found her way into the dark circle of Chicago's vampire underground, where she learned there was more to supernaturals than met the eye--and more supernaturals than the public ever imagined.

And not all the secrets she learned were for sharing--among humans or *inhumans*.

Now Merit is on the hunt, charging across the stark American Midwest, tailing a rogue supernatural intent on stealing an ancient artifact that could unleash catastrophic evil on the world. But Merit is also the prey. An enemy of Chicagoland is hunting *her*, and he'll stop at nothing to get the book for himself. No mercy allowed.

No rules apply. No lives spared. The race is on.
