Ryan "Flash" Gordon has been drawn to Emily Royal bin Yusuf since the first moment he met her. But she's a terrorist's widow, which means she's completely off-limits. A HOT special operator can never be with a woman whose name is on government watch lists the world over.

But when Emily begs him for just one night, he can't refuse. The next morning, she's gone. Not just from his bed, but from his life.

Emily can never clear her name—or can she? When a rogue CIA operative offers her a chance to put her past behind her and do something for her country, she leaps at the opportunity—even though it means leaving behind the man she's fallen in love with. But not before she lets herself have one night with him.
