Of the Great Clans of Rokugan, three have always embraced the art of war with a dedication that their peers cannot match: the Crab, who keep the Shadowlands at bay by sheer force of arms; the Lion, whose founder wrote the definitive Rokugani treatise on military strategy; and the Unicorn, whose tradition of exceptional horsemanship and unconventional ways have made them a formidable opponent on the battlefield. Masters of War views each of them through their contributions to Rokugani military practice and history.

Masters of War reveals the soul of three of Rokugan's Great Clans and describes them in unprecedented detail. It is a crucial resource for anyone interested in the Crab, the Lion or the Unicorn - or indeed, anyone interested in the Rokugani art of war.
