Madison Alcott was back in her hometown, caring for her sick mom and working long hours at the best resort in Laguna Beach. She never imagined she'd return to the place where she became famous on the hit reality TV show Laguna Nights, and the place where she was humiliated on national television. Fortunately, the past had stayed tucked away until her old high school boyfriend appeared in the lobby.

Josh Welsh was a superstar by age eighteen, the bad boy break-out star of Laguna Nights. Since then, his star had lost its shine and he barely was holding onto his Hollywood status. When he was asked to host a new reality travel show, he jumped at the chance. The only problem was the first episode was shooting in Laguna Beach. Of all the reasons Josh didn't want to return home, he hadn't even imagined the worst scenario: running into Madison "Holly" Alcott.

Josh's connection to Madison was still as strong as her anger at his betrayal. When the new reality series forces them together, they must face Laguna Nights past and present, and navigate a journey where nothing is as it seems.

***Laguna Nights can be read and enjoyed as a stand alone novel. And if you enjoy Madison and Josh's story, please consider reading the rest of the Laguna Beach series.
