The Exception (The Exception Series Book 1) Adriana Locke

There are exceptions to every rule ...

Jada Stanley is starting over, freeing herself from her past. Following the rules she's given herself is easy enough, until she meets HIM. He's gorgeous, cocky, and everything she needs to avoid, but that's easier said than done.

Cane Alexander has his own set of rules, a plan to keep his life simple and free of complications. But when he sets his sights on Jada, she proves to be a temptation he just can't resist.

Walls crumble, resolve fades, and precious rules are bent.

They can't help but take a chance on each other, but chances come with risk. As the past rears its ugly head in ways they never see coming, will they revert back to protecting themselves? Or will they realize that the other is the exception to every rule they've ever made?
