The International Year Book and Statesmen's Who's Who 2006 2006 53rd Ed

The International Year Book and Statesmen's Who's Who is published in September each year. This unique single-volume reference work is an authoritative and esteemed source of information on

- All the countries of the world, including territories and federal states;
- All significant international and national organisations, from the United Nations to economic and trade organisations;
- Comprehensive biographical profiles of over 6,000 of the most important people in the world today.

The work is thoroughly revised annually by a dedicated editorial staff. In addition to valuable overviews of each country of the world and information on the top international organisations, more contact details, e-mail addresses and URLs are included with each new edition. Profiles of key people from around the world make this an essential product for hard-to-find biographies. The work is cross-referenced for ease of use.

To supplement its concise country profiles, *The International Year Book and Statesmen's Who's Who* contains detailed statistics tables published courtesy of the World Bank, enabling comparison of data from 210 countries quickly. In addition there are tables detailing country membership of international organisations, a Chronology of the Year and Calendar of Forthcoming Elections.
