Transgender Complete: A Virtual Handbook Joanne Borden

This book is highly recommended by a transgender icon and modern transgender pioneer, Dr. Renee Richards. She wrote, "Dear Joanne, thank you for sending me Transgender Complete. I read it and was impressed with how comprehensive and erudite a discussion it was of all things 'transgender'. Much has happened since my days of involvement in the subject-especially interesting for me to read about all the research in neuro biology as well as recent advances in diagnosis and care for children and young people with transgender issues. Congratulations." - Dr. Renee Richards

Transgender Complete is an important and complete resource for transgender people who are seeking more information about themselves, those who know a transgender person and wish to understand them, and students and professionals in the fields of psychotherapy and medicine who want to know more about the thoughts and lives of transgender people.

This book includes every aspect of transgenderism from children to seniors and from immigration to sports; original research; and over 180 comments from transgender women and men that express their feelings regarding various issues. It also includes: the transgender relationship to gay/lesbian, bisexual, and asexual people;

TRANSGENDER WOMEN AND MEN can better understand themselves; learn their gender conflict origins; how to maintain better relations with their loved ones, friends and employers; the methods to avoid the perils of coming out; and much more.

THOSE WHO KNOW A TRANSGENDER PERSON will learn the cause of transgenderism, why it is kept a secret, their biological need to express their inner gender, and suggestions to help maintain loving relationships.

EMPLOYERS will learn why transgender employees are ideal employees and how simple and effortless it is to integrate (or re-integrate) them into any organization.

STUDENTS AND PROFESSIONALS IN EDUCATION, PSYCHOTHERAPY AND MEDICINE will gain a keen insight into the thoughts, lives, difficulties, and needs of transgender men and women.

Joanne Borden, the author and Winner of the Best Storyteller award in 2012 at NYC's Fresh Fruit Festival, based this book on 4 years of full-time research. The style of writing and scattering of quotations make this book an easy read.
