Winter Discovery Lou Aronica

Reviewers have rejoiced in Michael Baron's "emotionally charged relationships" (RT Book Reviews), "deep sensitivity" (#1 New York Times bestselling author Susan Wiggs), and "talent and depth" (Romance Writers Reviews), while calling his work "a masterpiece" (Book Reviews R Us), "unforgettable" (Fresh Fiction), and "beautiful" (My Book Retreat). Now Baron presents us with his first novelette and his first holiday story, a touching, luminous, and openhearted tale of love, wonder, and revelation. Returning to the characters of his first novel, *When You Went Away*, Baron takes us again into the world of Gerry Rubato, a man who has been marked by loss and revived by love, and his son Reese, now five, who celebrates life at a remarkable level but is only now starting to understand that he was robbed of the chance of ever knowing his mother. Reese is old enough now to get caught up in the excitement of the Christmas season and he throws himself into it with abandon. His sense of celebration takes on entirely new levels of meaning, though, when it leads him to an unexpected and most remarkable discovery. At once buoyant and poignant, and filled with irrepressible spirit, *A Winter Discovery* is a story of that will take you to new places in your heart.
