The Bishop (The Patrick Bowers Files, Book 4) Steven James

F.B.I. Special Agent Patrick Bowers's cutting edge 21st century geospatial investigative techniques and impeccable logic have helped him track some of the country's most grisly killers. But those skills are pushed to the limit in this new installment of the highly acclaimed, award winning The Bowers Files series. This time it's a congressman's daughter who is found dead even as her killers launch a spree of perfect murders in the Northeast. With nothing to link the crimes to each other, Agent Bowers faces his most difficult case yet even as his personal life begins to crumble around him. Known for his intricately woven, masterfully plotted novels of highoctane action and spine tingling suspense, Steven James delivers once again. The Bishop is a gripping, adrenalinelaced story for readers who are tired of timid thrillers. Strap on your seatbelt and get ready for a wild ride. The game is on.
