Adobe Premiere Pro: Complete Course Donna L. Baker

Written by a Premiere Pro expert and illustrated throughout in full color, this Complete Course shows you how to master the full range of Premiere Pro tools and techniques while working on a single project. Twelve sessions and more than eighty step-by-step tutorials, accompanied by vivid color images and screen shots, walk you through the creation of a ninety-second, professional-quality video from start to finish. After completing the course, you'll have an impressive portfolio piece and a thorough understanding of Adobe Premiere Pro fundamentals. Use effects and transitions to change the action from scene to scene. Use multiple sequences to create complex nested effects. Use the Title Designer to create sophisticated titles. CD-ROM contents include bonus session featuring tutorials that explain how you can create your own version of titles and graphics used in the project; bonus discussions on additional Premiere Pro features, methods of exporting, and special effects; tryout version of Adobe Audition, demo versions of Boris FX and Boris CONTINUUM Complete, and a demo version of SpiceMASTER. This also also contains all the files and materials you need to complete the video project. For system requirements see the About the CD-ROM Appendix for details and complete system requirements. Seybold Seminars, Publications & Consulting is the leading brand helping graphic design and Web professionals understand and work with the latest digital technologies.
