All Lies Andrew Cunningham

"I come from a long line of idiots."

Those were the last words his father uttered before dying, and from what he knew of his family tree and the unfortunate end that came to so many of his ancestors, Del Honeycutt couldn't disagree. What he didn't know was that his family held dark secrets--secrets that were about to come crashing down upon him.

A seemingly innocent date gone tragically wrong plunges Del into a web of murder, lies, greed, and a hidden fortune dating back to a crime committed 85 years earlier by his great-grandfather. Accompanied by Sabrina, the sister of Del's brutally murdered date, a violent journey of discovery and fear begins. Pursued by vicious killers intent on eliminating anyone with knowledge of the 85-year-old crime, their only hope of survival is to find the reason behind the original crime and why, decades later, someone is still willing to kill to keep it hidden. But Sabrina is concealing a monstrous lie of her own. Is she who she says she is?

By the author of the Amazon bestselling thriller **Wisdom Spring**.
