This regulation provides force protection guidance for commanders with an ammunition and/or explosives mission. It sets explosives safety standards to protect soldiers, civilian employees, family members, contractors, the general public, and the environment.

This regulation prescribes Department of the Army (DA) safety policy, standards, responsibilities, and procedures for implementing and maintaining the U.S. Army Explosives Safety Program.

b. The explosives safety standards prescribed in DA Pam 385–64 will be used together with this regulation.

c. Explosives storage must conform with Department of Defense (DOD) and Army standards for explosives safety unless the use of other criteria (such as those of the North Atlantic Treaty Organization (NATO) or host nation have been agreed to or are mandatory. A copy of all agreements will be made a permanent part of the real property records.
