This is book two in the Lilith Mercury, Werewolf Hunter Series.

There was a time when the battle lines were clearly drawn and there would've been no question, no doubts, but that time has passed. Though Lilith is still drawn to the wolfman, Marco, she cannot deny what she feels for her partner, Alfred. She remains torn between a man who was once her enemy and one who is becoming much more than her friend.

There will be multiple partners in this series. If that offends you, turn back now.

WARNING: This book contains graphic language, graphic violence, and graphic sex. No werewolves were harmed in the making of this book.
