Sixteen-year-old Janelle knows something's not right with her father when they move to their new home in Florida. During a deadly hurricane, a teenage boy, Gary, materializes out of the storm right in front of her. He bears a strange marking on his arm, a gray spiral that matches the one she was born with. It's up to Janelle to find the truth about the connection she and Gary share. When she tracks Gary down again and discovers it, it's terrifying. Janelle and Gary are far closer to the destructive power of nature than she ever imagined. As her attraction and love for Gary grows, Janelle finds herself sucked into a nightmare: she might become the instrument needed start a terrible war.

"The plot was fast paced and constantly moving along. I was so intrigued by the Tempests that I had a hard time putting the book down. I am looking forward to the next book in the Destroyers series."--Reading Vacation

"From the initial scene with the hurricane bearing down on Janelle and her dad, this story pulls you right along through to the surprising conclusion. Creative and entertaining, this book is good fun from start to finish."--GraceKrispy, MotherLode Blog

"In all, Tempest is a wonderfully brisk read full of angst and self-discovery. Most of the characters ring true and are decently realized. The innovations are fresh and invigorating. I would most certainly recommend this book to anyone, or to anyone's teenagers."--Journal of Always Reviews
