American Science in an Age of Anxiety: Scientists, Anticommunism and the Cold War (Paperback) - Common By (author) Jessica Wang

American Science in an Age of Anxiety is the first major study of American scientists' encounters with Cold War anticommunism in the decade after World War II. Through the extensive use of archival sources - including recently released FBI files - as well as published primary and secondary sources, Jessica Wang demonstrates the stifling effects of anticommunist ideology on the postwar politics of ...
