*"One day I'm going to touch you in a thousand different ways and show you how to touch me," he said. And he did.*

Struggling with a tormented past, undergraduate Olivia Winter once led a practical but isolated life. Then she met Professor Dean West, a brilliant scholar of medieval history who melted Liv's inhibitions and taught her the meaning of both love and pleasure. But after three years of a blissful, lusty marriage, Liv and Dean now face a crisis that threatens everything they believe about each other. And when dark secrets and temptations rise to the surface, the fallout might break them apart forever.
