Oxford Handbook of General Practice (Oxford Handbooks Series) Chantal Simon, Hazel Everitt, Francoise Van Dorp

The Oxford Handbook of General Practice has been a lifeline for busy GPs since the first edition published in 2002. Covering the whole of general practice, with hands-on advice from experienced practitioners, this essential handbook provides rapid access to information to help with any day-to-day problems which might arise in general practice.

The new third edition takes into account the significant changes in primary care since publication of the second edition in 2005. Written in line with the new GP curriculum, the authors have provided new material on the GP contract, foundation level doctors in general practice, and training for general practice.

All chapters have been completely revised and updated with input from a team of specialist reviewers and contributors. The chapter on child health has been radically updated and specific chapters have now been dedicated to pregnancy and contraception/sexual health. The handbook also includes quick reference practical management boxes for pediatric and elderly patients, a plate section of color images, and reference to online guidelines and resources.

From reader reviews:

Virginia Villalon:

People live in this new day time of lifestyle always try and and must have the extra time or they will get lot of stress from both daily life and work. So , once we ask do people have extra time, we will say absolutely without a doubt. People is human not really a huge robot. Then we question again, what kind of activity are there when the spare time coming to a person of course your answer will certainly unlimited right. Then ever try this one, reading ebooks. It can be your alternative throughout spending your spare time, often the book you have read will be Oxford Handbook of General Practice (Oxford Handbooks Series).

Susan Swain:

Oxford Handbook of General Practice (Oxford Handbooks Series) can be one of your beginner books that are good idea. Most of us recommend that straight away because this publication has good vocabulary that may increase your knowledge in terminology, easy to understand, bit entertaining but nonetheless delivering the information. The article writer giving his/her effort that will put every word into pleasure arrangement in writing Oxford Handbook of General Practice (Oxford Handbooks Series) but doesn't forget the main place, giving the reader the hottest and also based confirm resource info that maybe you can be among it. This great information can easily drawn you into completely new stage of crucial thinking.

John McCraw:

This Oxford Handbook of General Practice (Oxford Handbooks Series) is great guide for you because the content which can be full of information for you who have always deal with world and still have to make decision every minute. That book reveal it info accurately using great organize word or we can state no rambling sentences included. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but challenging core information with splendid delivering sentences. Having Oxford Handbook of General Practice (Oxford Handbooks Series) in your hand like obtaining the world in your arm, information in it is not ridiculous just one. We can say that no publication that offer you world with ten or fifteen small right but this e-book already do that. So , this is good reading book. Heya Mr. and Mrs. active do you still doubt which?

Alberto Alvarez:

You could spend your free time to see this book this e-book. This Oxford Handbook of General Practice (Oxford Handbooks Series) is simple to deliver you can read it in the playground, in the beach, train as well as soon. If you did not possess much space to bring the particular printed book, you can buy the actual e-book. It is make you simpler to read it. You can save the actual book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.
