Raymond Pollard is a successful businessman, husband, and father. He has a beautiful family, a spectacular home, and though it wasn't always like that, now life is good. However, appearances can be deceiving and in Ray's case, his past is about to catch up to him with one goal in mind—to even the score. In a fast-paced story with unexpected twists and turns, Raymond Pollard meets his match—the enemy within. Only this time, he doesn't have to do it alone. With the help of friends, family, and especially his son BJ, Ray finds the courage to confront his demons and protect all that he loves . . . by risking all that he has. L. Davyd Pollack is the author of short stories, novellas, and his debut novel “Positives & Negatives, Tricycles & Pancakes,” the first in his Positives & Negatives series. At times serious and poignant, other times lighthearted and fun, this book is hard to put down. Read it once, read it twice, but don't forget to read between the lines.
