Slow Roasted Hope Lucinda Chumley

Hope is a lot like coffee. It is planted and watered, harvested and roasted, finely ground and, finally, brewed with intense heat. Through the entire process--which can be both organic and intentional--small seeds miraculously and mysteriously transform into an aromatic and distinctive substance that could not have evolved in any other way.

This book is not a “how-to” or a quick fix. It reads more like a conversation with an old friend, talking about the ups and downs of life. Lucinda Chumley offers her personal story of loss, grief and hope, of being knocked down and figuring out how to get back up again.

Interwoven throughout are reflections of nine Hebrew words as found in the Old Testament which each translate into our one English word for hope. These words bring a unique flavor and nuance to the special blend that is hope. Pull up a chair, and enjoy.
