*I'm collecting secrets, and favors. The things people wouldn't want others to know about. The things people would pay me to not tell others. They are willingly giving me this information and in exchange, I'm giving them access to an exclusive club. It's a win-win, because someday, I'm going to cash in on those secrets when I need them the most.*

*I know Ryan is keeping things from me. He's been sneaking around. He's been vague. He says it's his business. A new project. I'm sure it is, but I'm also sure there is a lot more to it. I can't point any fingers. My work is floundering. My ideas were drying up. That was until I stumbled across something that was too good to pass up.*

The thrill of the Diamond Club is behind them, but not everyone has gotten their fill of adrenaline and wild nights. Ryan Jensen's Billionaire Boys Club has taken a turn in a direction he thought he had left behind. When outsiders come crashing in, what will they be willing to give up to be a part of the Diamond Club?

After Alicia Brennan secretly revealed the lives of the rich and spoiled women of the Diamond Club in her diaries, she now has more offers to write than she could ever believe, but when her inspiration dries up, where will she turn to impress her new boss and keep the job she's dreamed of?

\*\*\* The Diamond Club, Secrets and Lies is a Steamy hot romance with just the right amount of twists and turns. Perfect for fans of JS Scott, Kelly FAVOR and Hannah Ford. \*\*\*
