The Last One Home Annette Appollo
You *Can* Go Home Again

She isn't ready. After more than thirty years Gia Scarpino, a successful West Coast lawyer, must go back to the small Pennsylvania coal town of her youth to care for her dying uncle Tony, the beloved man who raised her. But Tony isn't the only one waiting for her. There, too, are the once-inseparable friends she left behind, including Willie, the sexy priest who was her first love; Yozo, the class runt turned rich entrepreneur; and her best girlfriend, Barbara, an alcoholic caught in a dead marriage. At first it's like nothing has changed, but as the excitement of their reunion begins to fade, Gia sees that none of them--including herself--are what they seem. Beneath the surface lie the resentment, anger, and denial that have haunted them all. To unite once more, they must face the pain of the past and rediscover the bonds of love that once connected them--a tie Gia desperately needs to help her say good-bye one last time.

From reader reviews:

Jetta Butler:

The book The Last One Home has a lot of knowledge on it. So when you check out this book you can get a lot of help. The book was published by the very famous author. The writer makes some research prior to write this book. This specific book very easy to read you will get the point easily after perusing this book.

Robert Music:

Playing with family inside a park, coming to see the sea world or hanging out with pals is thing that usually you might have done when you have spare time, then why you don't try matter that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love The Last One Home, you may enjoy both. It is good combination right, you still would like to miss it? What kind of hangout type is it? Oh can happen its mind hangout people. What? Still don't understand it, oh come on its called reading friends.

Marva Larson:

Are you kind of busy person, only have 10 as well as 15 minute in your morning to upgrading your mind proficiency or thinking skill actually analytical thinking? Then you are experiencing problem with the book in comparison with can satisfy your small amount of time to read it because all of this time you only find e-book that need more time to be study. The Last One Home can be your answer since it can be read by a person who have those short free time problems.

Darron Hiller:

Many people spending their period by playing outside with friends, fun activity having family or just watching TV 24 hours a day. You can have new activity to pay your whole day by examining a book. Ugh, do you consider reading a book can definitely hard because you have to accept the book everywhere? It all right you can have the e-book, taking everywhere you want in your Smartphone. Like The Last One Home which is having the e-book version. So , why not try out this book? Let's find.
