The Last Pendragon Saga Volume 2: The Pendragon's Quest/The Pendragon's Champions/Rise of the Pendragon (The Last Pendragon Saga Boxset) Sarah Woodbury

The Last Pendragon Saga Volume Two includes the three novellas: *The Pendragon's Quest/The Pendragon's Champions/Rise of the Pendragon*

The Pendragon's Quest

Although the dark forces of Arawn are defeated, the Saxons have massed on the border of Wales, aiming for nothing less than the complete subjugation of the Welsh people. But defeating an army of Saxons is only the first step Rhiann, Cade, and their companions must take if they are to stop Mabon from claiming dominion over the human world for all eternity.

The Pendragon's Champions

The fickle god Mabon, loose again in the human world, searches for the Thirteen Treasures of Britain. With each one he collects, his power grows. Knowing that time grows short, Cade sends out his champions to draw lords from throughout the land together for a final stand against Mabon--before it is too late.

Rise of the Pendragon

What if the myths and legends were once real? What if gods and demons really walked among us--and the heir to the throne of Arthur was one of them?

With the other gods forbidden to interfere in the human world, it is up to Cade, Rhiann, and their companions to stop Mabon and the Saxons--and time is running out.
