Cases and Materials on Corporations and Other Business Entities: A Practical Approach (Aspen Casebooks) Lee A. Harris

A practical approach to Corporations featuring carefully edited cases, intriguing notes and questions, and exercises drawn from actual cases to create a practical and skills-driven approach to the study of the legal principles of business.

Featuring:

- Each chapter includes all the **landmark cases** that students should be introduced to in a Corporations or Business Entities course
- Strong **skills-driven exercises and questions** (both litigation-based and transaction-based)
 - the practical exercises give students a chance to **simulate what lawyers do**
 - the exercises are **drawn from actual disputes**, particularly from material in the case's procedural history, publicly-available information about the dispute, and other information provided from the actual lawyers on the case
- **Brief notes and questions** after cases, including some with practice-orientation
- Diagrams, or **Roadmaps** are included to give students an **illustrative snapshot** of some of the toughest cases.
- This text **obviates the need for law professors interested in skills training to rely on supplemental texts or creating their own materials**
- **Companion website that includes supplemental introductory cases** (with notes and questions) to enable use of the casebook by MBA and undergraduate students
