Julie Rowes's Message will change your life

In 2004, Julie Rowe was a happy wife and mother. Then her health took a turn for the worse. While in a weakened state, her spirit left her body and entered the Spirit World.

While she was there, she was shown a panorama of the earth's past, present, and future. Julie tells of this experience in her book A Greater Tomorrow.

In the follow-up volume The Time Is Now, Julie focuses on giving additional details about the future events she was shown.

Julie shares what she saw concerning:

- Spiritual and temporal preparations for the future
- The gathering of the righteous to places of safety away from large cities
- Upcoming natural disasters that will strike the earth
- Worldwide plagues and sicknesses
- The implementation of martial law, and foreign troops in the United States
- The Elders of Israel defending their liberty
- Life in New Jerusalem
- The Second Coming of Jesus Christ

Throughout these books, Julie stresses that we must not delay our preparations. These events are not far off, and these two books will help you be ready for what awaits us.
