A woman was found dead at an anti-war rally because of a mysterious plane crash. Private investigator Edgar Willis will be assigned to solve this case. Along investigation, he will see conspiracy in the plane crash, and life. As the story unfolds, he will discover a lot of things he never thought he'd think about.

Preventing any of these people from being exposed to the public should be his priority. The worse that could happen is to keep the media from discovering what could be the biggest cover up in their nation's history. Soon, things will get complicated and they will find it hard to seek answers out of every assumption they make.

Delay in justice is injustice, he knows this very well. But the dead cannot cry out for justice, and the duty of living to do so for them is something he vows. But... will he ever reveal it?
