### Chapter One

Mercy is washing the dishes after a family breakfast with her stepdaughter and a female member of the pack, Auriele, when the phone rings. Jesse answers the phone. Her mother, Christy, is calling, and she is frantically asking for Adam, her ex-husband. Christy asks Adam if she can come home because a strange man is stalking her, and she is terrified. Fae are supernatural creatures that can change their faces, voices, sizes, and shapes. The man tells her he has been known as Alistair Beauclaire most recently. She asks him what he wants, and he tells her that he wants his father's walking stick...
