No, David!

David Shannon

No, David! David Shannon

As a Kindergarten teacher and a lover of children's literature, I can tell you that No, David! is a very special book. This story does not need a lot of words in order to be captivating. Instead, it grabs the reader because it so accurately depicts the spirit of the child. Children will be children, and what to them is great fun, to an adult can be a definite no-no. It is through David's innocence, and his precarious foothold in the world, that we are instantly transported back to our own childhoods, where we too had to learn that there were consequences for our actions. I can't imagine that there is a person out there that cannot identify with the round-headed, gap-toothed David.
