CIA officer Nick Andris wants revenge. His last mission failed after a Georgian arms smuggler killed his lover. He's been tailing a woman for three weeks, hoping that she will lead him to his target. But there's a problem with the intel. Holly Elise Bradshaw is nothing more than an entertainment writer with a love for sex and designer clothes. Clearly, someone at Langley made a mistake . . . When Holly finds herself in trouble, the only weapons at her disposal are her brains and her body. But they won't be enough to handle the man who's following her. He's going to turn her world upside down. Contains mature themes.
