Flannery O'Connor

**The violent bear it away (A Signet book)** Flannery O'Connor

First published in 1955, *The Violent Bear It Away* is now a landmark in American literature. It is a dark and absorbing example of the Gothic sensibility and bracing satirical voice that are united in Flannery O'Connor's work. In it, the orphaned Francis Marion Tarwater and his cousins, the schoolteacher Rayber, defy the prophecy of their dead uncle--that Tarwater will become a prophet and will baptize Rayber's young son, Bishop. A series of struggles ensues: Tarwater fights an internal battle against his innate faith and the voices calling him to be a prophet while Rayber tries to draw Tarwater into a more "reasonable" modern world. Both wrestle with the legacy of their dead relatives and lay claim to Bishop's soul.

O'Connor observes all this with an astonishing combination of irony and compassion, humor and pathos. The result is a novel whose range and depth reveal a brilliant and innovative writer acutely alert to where the sacred lives and to where it does not.
