Asking Questions About Cultural Anthropology: A Concise Introduction

Robert L. Welsch, Luis A. Vivanco

Asking Questions About Cultural Anthropology: A Concise Introduction Robert L. Welsch, Luis A. Vivanco

Unlike textbooks that emphasize the memorization of facts, *Asking Questions About Cultural Anthropology: A Concise Introduction* teaches students how to think anthropologically, helping them view cultural issues as an anthropologist might. This approach demonstrates how anthropological thinking can be used as a tool for deciphering everyday experiences. The book covers the essential concepts, terms, and history of cultural anthropology, introducing students to the widely accepted fundamentals and providing a foundation that can be enriched by the use of ethnographies, a reader, articles, lectures, field-based activities, and other kinds of supplements. It balances concise coverage of essential content with a commitment to an active, learner-centered pedagogy.
